# LORETO CONVENT ENTALLY

*Every Child is Precious*

## Principal's Message

Mrs. Jessica Gomes Surana

In a world often marked by selfishness, a large family is a school of solidarity and sharing; and this attitude is to the benefit of society as a whole. At Loreto Convent Entally every effort is made to teach children to learn by creating curiosity, so that she will continue the learning process as long as she lives. Every adult needs to be a role model to these tender exploring minds who have never been good at listening to their elders, but they have never failed to imitate them. Let us create the perfect conditions where education equals encouragement, which in turn equals empowerment.

## Superior's Message

Sr. Tina Farias

As we come to the end of another year in Loreto Convent Entally, we look back and are filled with gratitude for what has been... gratitude to God for bringing us safely through a year filled with tangible signs of His goodness, gratitude to our Sisters, to the Principal and Staff – Teaching, Non-Teaching and Support staff for their love and commitment to our children, gratitude to our Parents for entrusting their children to our care and especially to the many friends and benefactors who have supported us in our mission of empowering our children.

As we stand on the threshold of a new academic year our prayer for all is that we keep in our hearts God's promise in the Bible: **"For I know the plans I have for you, plans to prosper you and not to harm you, plans to give you hope and a future."**  
---Sr. Tina Farias
