LORETO CONVENT ENTALLY
EVERY CHILD IS PRECIOUS

Principal's Message

All life is only a lavish and manifold opportunity given us to discover, relish and express the Divine. With this motto we at Loreto Convent Entally always proceed to pursue all dreams which at first may seem impossible but eventually they become inevitable. All our hopes and dreams of 2013 have been fulfilled.

Keeping Mary Ward's vision alive the "girl child" has been given every scope to flourish in the field of both academics and extra curricular activities. The TTIS award bagged by LORETO CONVENT ENTALLY for extra curricular activities set the wheels of achievements rolling. "Times of India" recognized our school with the title 'classic cradle of education. A beautiful halo circled round the brow of Loreto Entally and left us all proud.

Social service runs through the very vein of our existence here. We not only say 'I care about you, but we mean it and live it'. The contribution of our students to the 'Uttarakhand Relief Fund' was judged to be a generous gesture. Standing for social issues like atrocities against women and Sealdah station cleaning drive opened for us avenues which are often the beginning of great enterprises.

Our annual Senior School Concert "I HAVE A TALE TO TELL" traced Kolkata's glory past to present through a colourful dance drama. I wish to congratulate the staff and students for their great work.

I take this opportunity to extend my gratitude to the alumnae for being with us always. I remain ever obliged for their unconditional love for our children.

At last I wish to say 'together we have sown the wind and we shall reap the whirlwind.' My hope is, we the sisters, staff and students together keep creating history and the gods above will say "Oh here is the picture of perfection ! the joy unalloyed".
