## LORETO CONVENT, ENTALLY

*Every Child is Precious*

## Principal's Message

*Mrs. Jessica Gomes Surana*

participated in a series of activities which enhanced their critical thinking, social skills and brought about holistic development. The Junior section of the school created ripples with Vibrant Hues, an inter Loreto activity where the seven branches of Loreto, Kolkata, came together to cooperate and create a memorable experience. The ideas exchanged amongst these little minds stand tall in the surroundings of Entally. This year also saw the birth of 22 Clubs which represented every girl's passion. Be it football, photography or gardening, the energy exuded was contagious. Awards we did receive but what was more rewarding was to see all the students participate whole heartedly.

8<sup>th</sup> Dec. was a day that many will not forget in years to come. The Closing ceremony of the Jubilee year was executed in pure Loreto style – simple yet marked by perfection and class. His Grace, the Archbishop Thomas D'Souza was the main celebrant for the mass. The evening saw the most splendid drill display.

At LCE we believe that 'an open heart is an open mind'. Every child that comes into our fold is nurtured to become a young woman with strong values, which helps her to stand up to what is true and just.

We thank the Almighty for bestowing His blessings on us and helping us to complete another year successfully.

We thank our Province Leader, Sister Anita Braganza for her constant support and guidance.

We owe our gratitude to our Superior, Sister Tina, other sisters in the Community, staff and parents for their cooperation.

**Give the ones you love wings to fly,  
roots to come back and reasons to stay.....**

As I look back at the academic year 2017-18, my mind fills with the memories that we have made together at Loreto Convent, Entally... memories that create another step in the stairway to reaching our goals. The year gone by was a celebration of the 175 years of Loreto in South Asia. Myriad activities both intra and inter, united our Loretoites from all parts of the country and together they pledged to 'Remember, Renew and Reimage their lives as Mary Ward women, called to "live sustainably", creating "the oneness that moves us across boundaries."

The calendar for the year was filled with curricula and co curricula activities.

The school had cent percent results for both ICSE and ISC. The students

## Superior's Message

*Sr. Tina Farias*

This year 2018 Loreto Convent Entally will complete 175 years of empowering children. Initially caring for children in crèches, to seeing them through school leaving after examinations, from Modern School Final in the earlier days through National Open School to ICSE and ISC, from Secretarial Courses, Computer skills, sports and a myriad extra curricular activities, Loreto Entally children leave us ready to face the demands of life. The sponsored children in our school and hostel are the ones who have been and are the heart of our endeavours. They are children who with love, patience, and sheer medical and physical care and academic guidance have developed into women who are strong and competent, women who withstand the storms of life, women who are among the strongest of "India's daughters". None of this would have been possible without the support of our parents, our colleagues and coworkers and most of all, our benefactors.

Our prayer remains that God will bless our efforts and imbue our spirits with enthusiasm and compassion for the children we serve. May our students always hold on to the values of "justice, freedom, sincerity and joyful hope" that our foundress Mary Ward held dear.

# The 175th Jubilee Celebrations - Closing Ceremony

It was a cold December morning but there was a song in our hearts as the Loreto Family gathered on the green lawns of LORETO CONVENT, ENTALLY. "Remember, Renew, Re-image" has been the clarion call on the 175th year of our Jubilee celebrations. Our hearts overflowed with gratitude as we invoked God's blessings, on our mission to carry forward the precious legacy of Mary Ward.

It was a colourful extravaganza in the evening, when the schools put up

drill displays that took one's breath away. Every Loretoite turned misty-eyed, as the Loreto Chorus rang out melodiously, from every heart, echoing through the lawns, the corridors and the pathways of LORETO CONVENT, ENTALLY.

## VIBRANT HUES, 2017

Vibrant Hues is an event that was organised by Loreto Convent, Entally, on 17th November 2017, to celebrate 175 years of Loreto in South Asia. All the 7 Loreto schools in Kolkata participated in the Event. It was a fun filled event and not a competition. There were 4 activities.

1. Happiness is handmade -- Craft activity
2. Colour My World -Drawing and painting
3. Twosome –A dual recitation

4. Famous personalities - Where participants delivered a speech of a famous personality of their choice. We were honoured to have Mrs. Kaveri Dutt, Province Co-ordinator- Loreto Education Board as Chief Guest and Mrs. Sonali Lahiri, head of Loreto TTC Department. It was a joyful and learning experience for all the children.

**Mrs. Kaveri Dutt** addressed the group and highlighted the need to come together, not only for competitions but also for cooperation. She used a South African Philosophy called UBUNTU to depict the fact that we are nobody if we are not for the others.

The Principal, **Mrs. Jessica Gomes Surana**, spoke about the theme, Vibrant Hues, as a reflection of the myriad colours that children are. Their talent, enthusiasm represent each colour of the rainbow.

According to **Mrs. Sonali Lahiri** – What left a deep and lasting impression was the abundance of talent among the children and the perfect execution of the event. Ms. Grace Williams demonstrated ease and a vibrant sense of humour while steering the programme.

### INDEBTED FOREVER

The road takes a sharp turn  
I don't know what is beyond  
I turn back to take one last look  
At all I leave behind,  
There is so much left behind  
Yet what I carry with me overshadows them all.  
Lessons that will serve a lifetime  
Teachers that embrace me for everything I am  
Values that have become rare  
Resilience to face every struggle  
Integrity to stand for what is right  
Confidence to believe in my abilities  
Humility to accept failure  
Optimism to see the silver lining in every cloud  
Friendship that will carry me through every storm...  
I realise I am no longer to sail my boat  
And I owe everything to the most endearing.

কখনও কোকনদ  
কখনও বা উৎপল,

তুমি বিনা দিঘীজল।  
গুণীজন মাঝে তুমি

थक जाते जब ढूँढ जल,  
तब तुम मधु बरसाते हो,, ।
