

# Loreto Note Book

*Every Child is precious*

## **Superior's Message:** Sr. Tina Farias

We are well into a New Year that has been like no other in living memory. The year 2019 -2020 ended on such an abrupt note with the unexpected lock down in March. And yet we stand for a moment in time and look back with gratitude - and look forward at a future that cannot be predicted. We thank God for last year – for the dedication and love that surrounds the children of Entally because of the sheer dedication and commitment of our Sisters, Principal and Staff –Teaching, Office and Support. Yet while we ponder on the present, our hearts are heavy as we try to fathom the Pandemic, the lockdown, the dreaded disease, the grief at the passing of so many loved ones, the effects of loss of jobs, the insecurity, the loss of finance, the struggle to keep online classes going, the plight of children who cannot avail of Smart phones, the terrible effects of the cyclone 'Amphan', and the hopelessness felt by migrants and the truly poor. Yet we do believe that God watches over his people - for on the other hand we experience the oneness of humanity, for the Pandemic has no respect for classes, for rich or poor, for differences of caste, colour and creed – we are all one. We experience the reaching out in love and compassion of so many who have learnt that it is in giving that we receive. The earth has come alive – the air is purer and the birds are singing again...it is home for humanity as God meant it to be. We miss our children and I know our children miss Entally. Let us all learn to live in and value what is beautiful the present.

Thank you dear Parents for sharing your children with us. Thank you to all our Friends who help us to help our children. May God bless you and your loved ones abundantly.

## **Principal's Message:** Mrs. Jessica Gomes Surana

"Education cannot be effective unless it helps a child open up himself to life". At Loreto Convent Entally the emphasis is on holistic development of every child who comes into our ambit. The academic results of 2019, instilled in every student a desire to achieve. Carpe diem or seize the day was the new mantra and this manifested itself in all activities of the year, especially the Annual Sports day where every student displayed their talents. This academic year, made our girls believe that success is no accident . It is hard work, perseverance, learning, studying, sacrificing and most of all to love what you are doing or learning to do. As we drew near to the completion of the academic year, we were faced with a situation that forced us to pull the curtains down earlier than planned. The pandemic caught us unguarded. Within a span of three days, we were able to complete all pending work and bid goodbye to a very fruitful and satisfying 2019-2020. We now move ahead into a very uncertain future but together as a family, we are geared to take on the challenges that lie ahead. I would like to very specially thank our Sisters, staff members and parents for contributing to the well being of every child at Loreto Convent Entally.

## Inter-Loreto Activities

### Vibrant Hues 2019

Mr. Ian Myers, Principal of Frank Anthony Public School was the Chief Guest, Sr. Beatrice and Mr. Joydeep Kundu, Tiger Conservationist were the Guest of Honour. The theme for the meet "Globe Trotters" gave the children an opportunity to explore different continents and portray the culture of the countries from each continent.

### Festilitt 2019

An Inter Loreto Literature Festival **Festilitt' 19** was also held on 31<sup>st</sup> July, 2019 at Loreto Convent Entally.

Loreto lived several lives as the six branches of Loreto, Kolkata, collaborated to enact stories from across the globe. We had 'Ramer Sumoti' by Sarat Chandra Chattopadhyay, 'Abhigyan Shakuntalam' by Kalidas, 'Pareeksha' by Munshi Premchand, 'The Trousseau' by Anton Chekhov, 'The Open Window' by Saki, 'The Necklace' by Guy de Maupassant, lighting up our literary stage.

A creative writing competition was also held on the sidelines, generating some outstanding literary pieces. 'Festilitt'19' was a beautiful, enriching experience.

### Vanijay 2019

The Commerce Department hosted an Inter House activity **Vanijaya'19** on 25<sup>th</sup> October 2019. Students of Class IX, X, XI and XII participated in this event. There were four events - Joint Crisis Committee, Earth saving Start Up, Judicial Rhetoric and Stock Market Simulation.

# Annual Sports Meet 2019

## CARPE DIEM – Seize the day

There were thrills and spills as the students of Loreto Convent Entally pitted their skills in a race to the finishing line. The March Past and the solemn opening ceremony gave way to some fiercely competitive races that ultimately determined who would lift the Championship Trophy. It was a red letter day in the annals of Loreto Convent, Entally. The confluence of the Junior and Senior section sporting events added a celebratory flavor to **CARPE DIEM – 2019**.

The dates 23rd to 30th January are important dates in the school calendar of Loreto Convent Entally as we celebrate the birth and death anniversary of our dear foundress Mary Ward. The week long celebration was replete with activities, both in the Junior section and Senior section. Each day began with special assemblies on the life and Maxims of Mary Ward.
